

Frank Gould, Vice-President

My name is Frank Gould. My wife Carol and I have lived in IronOaks for over 18 years. IronOaks is a great place to live and has the potential to be even better.

I worked for a telecommunications company for 32 years, Cincinnati Bell Inc. I had a variety of assignments in many departments and rose to the executive level of Vice President for Computer Software Development in their Data Services subsidiary. I had work assignments in Iran and Japan. Had a second career in the Public Education sector with Central Office Administration Duties.

I have been involved as an active member and served on the Board of many Service Organizations and Church Councils, Two examples being Neighbors Who Care and the IronOaks Board of Directors.
