

Cheryl L. Ravenscroft, Secretary

Cheryl was born and raised in SW Iowa. She also lived in Omaha, NE and Orange City, IA where she worked in manufacturing for many years. Cheryl started as a secretary and worked up to Personnel Manager before moving to Ahwatukee in 1992. She took a few years off to enjoy the lifestyle and natural beauty which Arizona affords before returning to work as Office Manager for Club Car until she retired in 2011. Cheryl has lived in Sun Lakes since 1998 and is a member of the United Methodist Church. Over the years, Cheryl has been active in several service organizations and held offices in all of them. She served 5 years on the Fiesta Bowl Women's Committee and chaired the Queen Selection one year and the Cookbook project in another year. Cheryl has volunteered her help in several community elections and wants to do even more in her community. To that end, she applied to join the Cottonwood Palo Verde Foundation, was accepted to the Board of Directors and will now proudly serve as their secretary.
